# Gripper Bars (SnapGraphics™)

1. Insert graphic into open SnapGraphic™ (fig. A) and clamp into place (fig. B).
2. SnapGraphic™ doesn't close well until graphic insertion.
3. Slide SnapGraphic™ into aluminum shroud (fig. C).
4. If hanging from ceiling, slide universal clips into aluminum shroud channel (fig. D) and finish with endcaps (fig. E). (Note: Slide clips directly into SnapGraphic™ channel if shroud isn't being used).
5. If hanging on wall, insert wall mount clips into inner aluminum shroud channel and screw into wall (fig. F).
